

## What is Leadership?

The Ormond Leadership Seminar is a program developed by the Ormond Beach Chamber of Commerce to provide civic-minded individuals with information relating to the issues, opportunities and challenges facing the Ormond Beach community. The Chamber seeks to develop informed leaders who will actively engage in the pursuit of positive community advancement through individual involvement. Leadership Seminar VIII will be held in six, half-day sessions. Attendance at all sessions is required, so please ensure that you will be able to meet the time commitment. The sessions will provide participants with opportunities to meet and converse with city officials, leaders and dignitaries in the community.
