President's Message

Dear fellow Chamber members,

As the summer months are passing by, and autumn is nearly upon us, the City of Ormond Beach continues to be haven for vacationers, families, and local business. Our beaches are still

bristling with activity, and local restaurants and recreation related establishments are still seeing large crowds of both local and visiting customers. Local retail stores are already gearing up for what promises to be a healthy holiday season, as Ormond Beach continues to show signs of stable fiscal health in challenging times.

The Ormond Beach Chamber has been very busy this summer, planning and managing several events that both serve our city's business goals, and provide entertainment and value for residents and visitors alike. In June the RiverGrille hosted our regular GO! meeting. The topic was "Hurricane Preparedness." Guest Speaker Ned Harper and other guests discussed what businesses can do to prepare for a hurricane and other disasters, and several sub-topics including data storage, back-up power and other related issues were presented. Our July meeting was hosted by the 509 Lounge, and Tyler LeCompte spoke on the expanding business uses of social media networking.

The Ormond Beach Chamber of Commerce will host the fifth State of the City Luncheon on Thursday, September 16th, 2010 beginning at 11:30am, at Oceanside Country Club, 75 N. Halifax Drive, Ormond Beach. The State of the

City Luncheon brings together business and community leaders, as well as elected officials, Mayor Fred Costello and the City Government's perspective on this year's successes, challenges, opportunities, and future outlook. This luncheon is a fantastic opportunity to meet local civil servants and business owners, and networking is the life's blood just about every business.

This fall our Cobb's Corner Classic is again being hosted by the Ormond Beach Chamber and presented by Florida Hospital Imaging. Runners from all over our area will descend upon our city and run through the historic "Ormond Scenic Loop," which traverses through some of the most scenic and diverse natural scenery in all of Northeast Florida. Proceeds from this year's race will sponsor our Ormond Beach Chamber of Commerce Leadership VIII program, and will provide funds that will help develop and retain future leaders for our beautiful city.

There is a lot going on in Ormond Beach, and the Ormond Chamber continues to provide events and activities like these to be able to spur economic growth, while enhancing our quality of life. If you have not yet taken advantage of these many business and recreational opportunities, perhaps it's time to get on board! Whether it is a sparkler, ribbon-cutting, 4th of July parade, or business conference, the Ormond Chamber is committed to keep on providing the vision and leadership that will help keep our city happy and prosperous. Hope to see you soon!

Kent Jones
Chamber President

Sparklers

Ormond Lanes Sparkler -For the June Sparkler we had a great time at Ormond Lanes, 260 N. US Highway 1, Ormond Beach. Fran Todd had a great evening planned for our members and guests. Members and guests were able to show what they were made of on the lanes! Fran opened up a few lanes for us to have some fun! Guests gathered around to hear if their name was called for the fantastic door prizes Fran had for her guests! Thank you Fran for having such a fun event for us!

Kennel Club Sparkler- We were very excited to have Daytona Beach Kennel Club open their doors to us for our August Sparkler! The new building located at 960 South Williamson Blvd., Daytona is beautiful! Members even brought their own greyhounds to the event!! Joanne Brown, owner of Bo, enjoyed introducing her dog to Bob Wentz and Tony Capozzi. The dogs were instant hits with our members and guests. Daytona Beach Kennel Club offered our members and guest a wonderful buffet of the many foods they offer in the restaurant. Watching the racing that evening brought some members much success! Thank you Kerri and Terry for welcoming us to your new facility and having such a wonderful evening planned for us to enjoy!

Ribbon Cuttings

After a long road finding just the right location, **Craftbugg's Cottage** celebrated their Ribbon Cutting with OBCC. Craftbugg is located at 145 West Granada Blvd., Ormond Beach. CEO, Debra Brooks, celebrated her opening with her family, Chamber members, ambassadors and board members. Everyone enjoyed walking through the store to look at all creations our local crafters offer.

Hampton Manor - On July 29th we celebrated a Ribbon Cutting with Hampton Manor located at 1050 Ocean Shore Blvd, Ormond Beach. Judy Martin, Director of Marketing, planned a fantastic event for the community, residents, co-workers, Ambassadors and board members. Judy brought in Johnny Lambrusco Entertainment for our listening enjoyment, catered a lunch for us and had many door prizes for her guests. Hampton Manor has taken the time and money to renovate the facility and it looks beautiful! Congratulations to Judy for making us feel at home.

Fialkov Chiropractic, PA celebrated his grand opening with a Ribbon Cutting with OBCC on June 14, 2010. Fialkov Chiropractic is located at 279 S. Yonge Street, Ormond Beach. Many of Dr. Ross patients along with family, Ambassadors and Board members helped celebrate his new business with many door prize drawings and lots of laughs.

Learning Center - Ormond Beach Learning Center located at 56 N. Beach Street, Ormond Beach celebrated the Ribbon Cutting with giving their guests a concert performed by the children of the school! Mayor Costello, his wife Linda, and Zone One Commissioner Lori Gillooly were among the special guests. The children were so excited to show the parents and guests what they are learning. Faithlyn Thiruchelvam provided a wonderful afternoon of entertainment from the children and a feast for lunch.

WishWorks Media - Perry Nicholas-Isch walked into the OBCC with high energy and ready to network his business in Ormond Beach. Wishworks Media is located at 1362 N. US Hwy 1, Suite 303, Ormond Beach. Perry celebrated his ribbon cutting with his family, long time friends, Ambassadors and Board members. Perry treated his guests to a home cooked meal he made himself! Perry's showroom is filled with so many products it was hard not to want to purchase something. Since Perry has become a member he has joined many committees and we look forward to his support.
